Chairman's Foreward

Welcome to the 12the Cheltenham Salon of Photography. In my three years of being the chairman, this was the smoothest from the logistical point of view. The most notable thing about this time round was the quality of the imagery. With so many great images the judges' work was not easy, I called them heroes as they scored thousands of images during the long hours without complaining! Special thanks also to my team, Brian Swinyward, Linda Kirkhope, Steve Reis, John Wood, Richard McCleery, John Clare and David Hyett for their invaluable contribution and readiness. Finally I would like to thank the entrants for their participation and their beautiful images that made our salon a real celebration of photography.
