Jonathan Vaines - Exhibition Chairman

As you peruse this year's catalogue, I am sure you will agree we have a wide variety of fantastic images throughout the four categories. I must thank all 510 of you that entered 5419 images in to the 17th Beyond Exhibition. Submitting your very best work has enabled us to present an exhibition of excellence.

The Nature entry came with a variety of animals, flowers, sea creatures and more. There were some firm favourites; Great Crested Grebes, Puffins and majestic Birds of Prey with their catch.

Scapes gave an insight into the beauty of light and how it interacts with subjects and surroundings. We were treated to views of some of the most beautiful places on earth; it's all about putting your own stamp on a location. Early and late light, exceptional weather, grand vistas, urban scenes and unique viewpoints ruled this section.

The Open sections of colour and mono drew the photographers that really want to show you life. We love to photograph people. People being themselves, old, young, "real characters" or not. We are drawn to recording them to tell a story of who they are and what they do. To sit in peace and see 5419 images pass by your eyes slowly over three days, was an absolute joy and again I must thank you all.

.....but the exhibition would not be an exhibition without our judges. They gave their time and knowledge, ensuring the best reached this printed record of the event. Rosemary Wilman Hon.FRPS, ABPE, AFIAP, APAGB, Angie Tucker EFIAP/p DPAGB, BPE4, Jane Barrett ARPS, AWPf, DPAGB, BPE5 and Dave Tucker EFIAP/p DPAGB, BPE4, thank you for all for your efforts. None of this would happen without the exhibition team behind it all, the members of Beyond Group and their partners for organising, arranging, cooking and in general "doing everything". Finally, to Paul Smith for his dedication to the IT and projection. We ran with the new software 'Pixaroo' this year. And let's not forget Foxy and Bonnie the canine members that kept everyone smiling with a wet nose and a wag of a tail.

Dave Tucker

EFIAP/P DPAGB BPE4

It was a big honour and privilege to be asked to be one of the selectors for Beyond BPE. We judged over three days as the entry was high with nearly 5500 images across the 4 groups. Thank you to all my fellow selectors Jane Barrett, Rosemary Wilman and Angie Tucker.

The image quality was very good, and this was reflected in the overall results which may have disappointed some, but take heart, the increase in quality meant it was far harder to make a selection for the exhibition, A score of 11 was a good result as most 11's were a very near miss! Over sharpening was a bugbear on many images, but was more noticeable in the mono section.

In colour, nature and scapes, too heavy saturation was also evident in some images while, conversely, especially visible in the nature section, over-brightening of images simply lost detail on what was a very good composition, and the image lost points due to that. Colour and mono also suffered with some images having too heavy vignetting covering up essential elements of the image.

Thanks must go to all the Beyond Group who worked tirelessly over the three days to keep all the selectors comfortable, well fed and watered (I did overdose on the superb cake and cookies). Big thanks to all the people on the technical side of things too as the whole event ran without any major hitches.

Overall, a magnificent weekend and can only thank you all for your support in entering, and good luck with your images in future.

Rosemary Wilman

Hon.FRPS ABPE AFIAP APAGB

Thank you for inviting me to select the 2024 Beyond Exhibition.

As a team we hoped to include a wide range of work within each category, although not at the expense of quality, and there were examples of 'if it is not entered it cannot be selected'. Throughout I was looking for that something special, often very personal interpretations which stood out and invited me to hit the 5 button. For the Awards variety proved difficult to achieve within some sections and this is reflected in our choices. In all categories there were excellent images, and our congratulations go to all those who have images accepted, especially to the award recipients.

The organisation was superb with the team working very quietly and efficiently using new software which handled the whole process very well. Their catering team also went 'Beyond', starting with cooked breakfast at 8am and keeping us very well fed throughout the judging. A big thank you to everyone. this year. And let's not forget Foxy and Bonnie the canine members that kept everyone smiling with a wet nose and a wag of a tail.

Jane Barrett

ARPS AWPB BPE5 DPAGB

It was a great privilege to be one of the selectors for this year's exhibition and it was fascinating to see the varied and exceptional quality of images across the sections. I'm pleased that the exhibition is judged 'in person' with everyone in the same room and seeing the same image together, rather than remotely on a monitor. It means you can truly see the quality of the work as it is presented and glaring over sharpening, cloning etc, really stands out which allowed us to select the best of the best. It is also much more sociable making for a very enjoyable weekend!

It was a pleasure to work with Rosemary and David, we worked well as a team, often reaching a clear consensus on the acceptances and in the following crucial discussions when deciding the winners of the overall awards. Many thanks also to my fellow members of the Beyond team for the flawless organisation and efforts into making the whole weekend a complete success.

Unfortunately, I only got to select two sections, Nature and Open Colour as I had a severe allergic reaction which meant I had to step down. This was extremely disappointing as up to then I was having a wonderful time. Luckily Angie Tucker is a very experienced judge, and she was happy to step in for the remaining two sections for which I am very grateful.

Well done to all those entrants who successfully had their images awarded and accepted in this year's exhibition the standard was incredibly high, and if you didn't get your images accepted then perhaps next year will be different and your turn may come then? Without your continued support we would not be able to hold the exhibition, so I would like to send a very big thank you to everyone who entered.

Angie Tucker

EFIAP/P DPAGB BPE4

I was pleased and honoured to be asked to stand-in to judge the Scapes and Mono sections of Beyond BPE due to the illness of one of our judges. Hopefully you are fully recovered now Jane.

The Scapes class was well supported with some wonderful images, proving that this is a popular genre. There were many different scenes to provide interest as well as some of the commoner scenes from Iceland and Tuscany. The standard was high with images showing great depth and transition from front to back. A few otherwise good images suffered from over colour saturation which lowered their score.

The standard of the mono section was equally high with many good images just missing out, so don't be disheartened if you didn't do as well as you expected. There was a wide range of genres represented in mono making it a compelling section to judge resulting in an interesting exhibition. Sharpness was an issue with some images, with over sharpening being more of an issue than lack of sharpness.

I would like to thank all those involved on the day, both on the IT and the admin side, plus all the other hard workers behind the scenes that make these events run so smoothly. The catering was second to none, especially the selection of home-made cakes and biscuits that stretched my will power to the limit.

"I enjoy pretty much everything about photography, from capturing the moment to the final edit. I don't specialise in any particular genre of photography but I do have a soft spot for capturing landscapes, particularly in the Peak District near where I live. Although I like to get the shot right in camera, I also enjoy the creative process of editing in PhotoShop, especially when working on composites that blend multiple elements. For me, photography is about getting outdoors, immersing myself in nature, overcoming challenges, and bringing my ideas to life, whether through a single frame or through a panel of images."

BRITISH PHOTOGRAPHIC EXHIBITIONS
CROWN AWARDS AND DISTINCTIONS

Acceptances in this exhibition count towards the above awards

Exhibitors are invited to aggregate their acceptances in the affiliated exhibitions and upon reaching the accepted aggregate to apply, without charge, for a crown award rating. Those achieving the five crown award become eligible to aggregate further acceptances and awards to gain the Associateship and Fellowship distinctions of British Photographic Exhibitions.

Details for BPE Crown Awards and contact information may be obtained from the BPE website.
