Holland Image Salon 2026

Chairman

It is with pride and enthusiasm that I present the Holland Image Salon 2026. The Salon has once again exceeded expectations, with 4,267 entries from 364 photographers across 53 countries. As the only international salon in the Netherlands, the Holland Image Salon is a celebration of creativity, craftsmanship and the universal language of photography. Breathtaking, high-quality photographs, each offering a unique perspective and telling its own story. My sincere thanks go to all participants for sharing their exceptional work, and to our expert jury for their dedication, knowledge and careful assessment. Together, they make this salon a truly inspiring meeting place for photographers from all over the world.
We look forward to welcoming you to many more inspiring editions!
