Holland Image Salon 2025

Chairman's Foreward

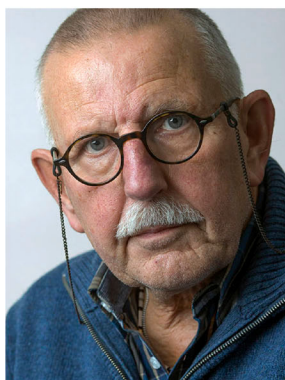

It is with pride and enthusiasm that I present the Holland Image Salon 2025 which has exceeded all expectations! With more than 4,200 entries, 359 participants from 52 countries, this salon is once again impressive proof of the power of photography. The Holland Image Salon is an ode to creativity, craftsmanship and cultural connection. This event brings together photographers from all over the world – people who capture life in images that inspire and challenge. From evocative architecture to intimate portraits – each image tells a unique story. My sincere thanks go to all participants for their exceptional work and to our expert jury for their dedication and careful assessment. We look forward to many more inspiring editions in the future!
