FRONT COVER: *Octocoral*, Ian Patterson, Australia

Author's comment: This image, *Octocoral*, was taken on a wall dive at a depth of 20 metres in S.E. Sulawesi, Indonesia. It is a Sea-Pen, about 2cm in height, which is a type of soft coral. It is called an *Octocoral* because each feeding tentacle has eight arms, which are in constant motion collecting minute food particles.

John Chapman APSEM EFIAP/d1 GMPSA/b ARPS

John is a well-known photographer and is also a self-publisher of outdoor walking guides. He has exhibited extensively with acceptances in more than 100 countries and judged numerous exhibitions. He enjoys travelling to experience the culture and also explore wilderness areas all over the world. Photographic interests cover a wide range of genres with particular interest in landscapes, travel, nature and journalism.

Rick Cloran Hon PSA GMPSA

Rick is a well-known judge and lecturer having served in those capacities extensively in New England as well as throughout the US and Canada. He has been a member of the Greater Lynn Photographic Association since 1975.

For his service to photography both in New England and at a national level he has been awarded the Honor of HonFPSA by the Photographic Society of America (PSA) and HonNEC by the New England Camera Club Council (NECCC). His success in exhibitions has earned him the GMPSA distinction.

Liz Hardley GMAPS EFIAP/p EPSA FPSNZ

Liz was born in the North West of England. She began taking photographs in the 1980s, and joined the Hawarden Camera Club in North Wales, particularly enjoying the camaraderie and competitions. She spent many happy hours in her darkroom, mainly printing black and white images from film negatives. Moving to New Zealand in 1995, photography took a back seat. However, in 2006 her passion was rekindled when she was gifted a digital SLR, a Nikon D70s, and joined the Auckland Photographic Society, where she is currently a Committee member. Already a Licentiate of the UK Royal Photographic Society (LRPS), she achieved her Associateship of the

Photographic Society of New Zealand (APSNZ) in 2009, and her Fellowship (FPSNZ) the following year. Over the last few years, she has won major awards in and judged national and international salons and competitions. She is the only photographer in New Zealand to hold an EFIAP/g distinction from the Fédération Internationale de l'Art Photographique (FIAP). She also holds an EPSA from the Photographic Society of America (PSA) and is a GMAPS (Grand Master of the Australian Photographic Society). Liz enjoys all genres of photography, but has achieved most success with her sports images. A keen runner herself, she particularly enjoys capturing the emotions of athletes. She now shoots with a mirrorless Nikon z7ii. While continuing to print her own images on Epson digital printers, she confesses to missing the excitement of her darkroom days.

Barbara Jenkin EFIAP/d3 ARPS GMPSA/p SPSA

I have been involved in photography for many years, but when I retired in 2007 I began to take my photography more seriously and began the pursuit of honours. I enjoy most genres of photography, particularly portraiture and fine art nude, photographing buildings and natural history. I am currently focusing on making abstract and creative images. I thoroughly enjoy post-production work on the computer, where photography and art overlap and fuse together. My whole philosophy regarding my photography is 'Seek Inspiration – learn – develop and evolve – inspire others'.

Margaret O'Grady GMAPS EFIAP/s SAPS

I'm a passionate amateur photographer who lives and works in South-East Queensland. I've been interested in photography for most of my life and joined the Ipswich Photographic Society in 2004 after completing a short photography course at TAFE. I am an active member of the Australian Photographic Society and held the position of President from 2020 to 2022. I'm an accredited judge with the Queensland Photographic Society and have extensive experience in judging a wide range of topics in club, National and International Exhibitions. I enjoy all types of judging and love to appreciate other photographer's images. I compete in

National and International competitions on a regular basis and have earned my EFIAP/s and GMAPS honours. I particularly enjoy outdoor photography including sports and wildlife. I was contracted to join the team photographing the Asia Pacific Master Games on the Gold Coast, Australia in 2010, 2012, 2014 and 2016. I also enjoy photographing events such as dog agility trials and photograph these events from time to time. In my spare time I spend many hours in wetland and coastal regions photographing birds and other nature subjects.

As a member of the Photographic Society of America Craig has gained the honour of Grand Master (GMPSA) in 2023 and the Bronze Portfolio Honour (BPSA) in 2018.

Craig enjoys travelling specifically for Nature photography with trips to Antarctica in 2010 and 2011, Svalbard in the Arctic in 2013 for Polar Bears and month-long wildlife photography trips to South Africa in 2015 and 2018.

Craig regularly judges at Club, National and International levels.

Elizabeth Passuello APSA EPSA EFIAP APSEM

Elizabeth has been involved in photography since the mid-1980s. She is a Life Member and Patron of the Greymouth Photography Club, located on the West Coast of New Zealand's South Island. For her services to photography, she was the recipient of a PSA Service Award in 2020, and in 2023 was awarded the honor of Associate of the Photographic Society of America (APSA). Elizabeth has been entering photographic exhibitions both in New Zealand and internationally for many years, from which she has won numerous awards. Since 1995 she has been an accredited judge of the Photographic Society of New Zealand, judging from club level

through to national and international exhibitions. In 1999 Elizabeth was awarded a Fellowship of the Photographic Society of New Zealand (FPSNZ), and in 2010 a Fellowship of the Nature Photography Society of New Zealand (FNPSNZ). This includes a second place in 2012, first place in 2013 and 2014, and seventh place in 2016.

Academically, Joe completed his MBA with Deakin University in 2000. On his photographic accreditations, Joe has obtained his distinction of APSEM/bronze from the Australian Photographic Society (Australia), EFIAP/diamond 3 from FIAP (Europe) in 2020 and GMPSA from PSA (USA) in 2016 and the Gold Portfolio (GPSA) Honor in 2020. Additionally, Joe has acquired other international photographic distinctions of Crown 5, VIP-5 and the Zeus title from Global Photographers Union (GPU); BP.ICS, GM.ICS, ICS/Safiiri from ICS and SFWIEP from Wilmington International.

Joe has been appointed as verifying officer by APS since June 2016 to verify APS and FIAP distinction applications received from all Australian applicants.

Helen Walker MPSA2

Helen is a recognised artist and an experienced national and international photography judge. She is a passionate nature photographer with strong interests in monochrome and creative photography. Having travelled extensively, she believes the key to great photography is the ability to capture that decisive moment in wonderful distinctive light. Helen enjoys the creative outlet that photography allows and when judging, she looks for the personal vision that each photographer brings to their work.
