FOREWORD

Photographic Society of Queensland

RALPH BROWN
PRESIDENT

On behalf of the Photographic Society of Queensland, it gives me great pleasure to support the Queensland International Circuit.

Photography has always been a universal language—one that transcends borders, cultures, and backgrounds. The Queensland International Circuit exists to celebrate that shared language by providing a platform where photographers from across Australia and around the world can present their work, exchange ideas, and engage in creative dialogue at an international standard.

This Circuit proudly builds on Queensland's long tradition of photographic excellence and international engagement. It brings together diverse styles, genres, and visual interpretations, united by a common commitment to craftsmanship, vision, and storytelling. Each image in this catalogue represents not only technical skill, but also the personal perspective and creative intent of its maker—an insight into how photographers see and interpret the world.

THE EXHIBITION

PSQ Photographic Society of Queensland

Fran McFadzen

CHAIR

This is the first exhibition organised by the Photographic Society of Queensland. The PSQ wanted to continue the tradition of the Queensland International Digital Circuit which closed at the end of 2023 after ten years of dedication by John and Denise North. We honour their legacy.

A small group of PSA members commenced planning in July 2025. The committee consisted of Greg Tungate and I from Rockhampton Photography Club, Martin Riley from Brisbane Camera Group, Gayle Harrison from Gympie Camera Club, Kaye Venton from Photo Arts Club Tweed and Cheryl Eagers from Creative Shots, Mackay. Members were highly skilled photographers, active officers within their clubs and represented the diversity of rural and city-based clubs in Queensland, Australia.

The closing date on 26 October saw 287 entrants submit 3263 images from 40 Countries. The quality of entries was exceptional, the number of FIAP, PSA, APS and PSQ Awards was 183, with a total of 3885 acceptances. We were happy to offer a creative category and delighted to this section this well supported.

I would take this opportunity to thank all those who entered the inaugural Queensland International Circuit and look forward to your continued support and enthusiasm in 2026.

NOTE:
Sadly, there were a few disqualifications during the judging process of the exhibition. The principal reason was Monochrome Images entered into the CREATIVE SECTION, and Colour Images being entered into the LINES SECTION.

Here are two suggestions.

1) Always read the Definitions carefully. Judges use these definitions on which to make their selections.
2) Do not leave your entry upload to the last minute before the Closing Date. I did contact more than thirty entrants to notify them that their entries were out of category. They were able to make the changes and upload correct versions. Entrants uploading in the last few days were too late to be contacted.

If you have any issues with entries in this Exhibitions, you are welcome to contact me.
